

E: Att: Heather Baggott FW: Ready for the appeal

Dear Minister,

Have not received any conformation from any of your departments for almost one year. I have used the OIA on several occasions, with no response.

The appeal wanted me to prove fraud. The NZ Justice Department is Perverting the Course of Justice, by not releasing the documents that's been requested under the OIA. This proves fraud today.

Please sort your Departments out, as this is getting to be, beyond a joke.

Look forward to your immediate response.

Yours sincerely

Hi Lisa,

As the Legal Aid Commissioner, and the Legal Aid Specialist Adviser along with Mr Harborows from the Legal Aid Tribunal, seems to have a problem releasing there Historic documentation, which I have asked for.

I am now ready for my appeal.

Could you please give me a date for this hearing.

I would like my researcher Wayne Duggan to be present, along with the Legal Services Commissioner, Tim Vogel Legal Aid Specialist Adviser, and Mr Harborows, who is a member of the Legal Aid Tribunal, to be present at the time of the hearing.

We do not want a telephone conference, we wish to appear in person, as it's me taking the Government to court, not the other way around.

Yours sincerely

Tanya Peterson
