Bleyenga, Paul (paul.bleyenga@justice.govt.nz)

Thank you for replying, but still waiting on the other matter to do with the legal aid specialist in how they came to their decision to decline us. So could we have the historic paper work to see how they came to that point.

Is the Tribunal trying to justify the paper work for the acts of Treason, against King George the 5th.

Look forward to your reply.

Yours Sincerely

Tanya Peterson

Why is it taking the Legal Aid Tribunal such a long time for a reply.

We are still waiting on what sort of qualifications of the legal aid commissioner, also the legal aid specialist to had come to a decision of declining me in legal aid assistance, for this historic case.

Looking forward to your response.

Yours Sincerely

Tanya Peterson
