Dear Minister,

My name is Wayne Duggan. I am the researcher representing the Peterson and Mc Neight families.

On the 6/9/2016 a petition was tabled under W.W.1 Soldiers land on illegal bankruptcy. TANYA Peterson and I were in front of the members of the Primary Production Select Committee, addressing the illegal bankruptcy and the acts of treason, along with conspiring to commit treason against King George The V and his Returned Servicemen.

As these were treasonous acts, and the Select Committee have now acknowledged these acts had occurred to our Return Servicemen. I would like you, as Minister of Lands, to waiver all fees from Lands Information Departments, in order that I am able to continue my research.

Yours sincerely  
Wayne Duggan
