Hi Janet,

Its Tanya, letting you know that on the 28/4/13 we E.mailed Winston for his assistance regarding our case. His secretary would like you to arrange a meeting with him. We thought it would be wise for us to be present as we can discuss it in more detail.

We believe that Winston is interested in the investigation that took place between 1921-1927 regarding the 4.900 soldiers misused accounts, which my grand parents is one of them.

(Ref: New Zealand Official Year Book 1931 page 413 under Revaluation of Soldier Properties.) Thanks

Yours Sincerely

Tanya Peterson
