Dear Elliot,

Thank you for the response, but I am a little confused as it's already been 5 months. Do you mean in due course, that this would be addressed after the elections when a new Minister could be appointed. Or is it the hui running live on Monday at 10 am, with the assistance from the Defence Department for the Maori Military Veteran's claim, under the Treaty of Waitangi the wai 2500.

Your sincerely

Wayne Duggan

Do have a lovely weekend
