Subject: Re Discharged Soldiers Settlement Act of 1915.

Attn: Hon. Winston Peters,

Dear Sir my name is Tanya Peterson and we have been researching the Discharged Soldiers Settlement Act 1915 for the past 5 years, in regards to my grandfather's ballot land that was issued in 1920 under special tenure. We have a Q.C. in Wellington, Janet Mason, of Pacific Law, who is acting for us, and is holding all documents relating to this claim. It proves that the government of that time illegally squeezed them out financially for their own personal gain.

We were advised to go public and get a patriotic politician who has mana, and who could help us bring justice to this claim, as this is the foundation for many to come.

Please can you get in contact with our Q.C. Janet Mason at Pacific Law.

We look forward to your reply.

Yours sincerely

Tanya Peterson
