General Manager Legal Aid Services..jpg;

This is a reply from the Legal Services Commissioner, stating Tim Vogel was a sub contractor to the Legal Services Commissioner.

You will see in the five emails that I've forward to you as proof that the O.I.A and the 26 (a) (l) of the Privacy Act, doesn't seem to apply to these two Governrnt Agencies.

We are still waiting for the Legal Services Commissioner on there Historic documentation on how they came to there decision of decline.

We also are waiting for the same documentation from Mr M.R. Harborows, who is a member of the Legal Aid Tribunal, we have asked for the Ombudsman help on these requests some time ago.

These documents that we have asked for, shows that the Legal Services Commissioner, Tim Vogel Legal Aid Specialist Adviser and Mr Harborow are not qualified to make these decisions as they can not produce these documents, for they don't exist.

This is another act of fraud.

If you need any assistance please don't hesitate to ask.

Look forward to your response.

Yours sincerely

Tanya Peterson
