Dear Ian,

I just received an e-mail from the Office of Treaty Settlements, as discussed in front of the Primary Production Select Committee, it had been made quiet clear from you, that this was similar to the Treaty. We stated that it was, but could not come under the Treaty.

Our Petition that you are responsible to address, on behalf of the Crown, that the Select Committee has referred the petition to the Ministry of Justice, and now the responsibility lies with the Office of the Treaty Settlements. I must point out to you, this is not a Treaty claim, that's why we are in front of your Committee. If it was in front of the Treaty, our claim would have been settled years ago. We don't wish to return to Wellington to find out that our Petition has not been thoroughly addressed, with the response going to the wrong department. Example: Treaty Settlements.

Yours sincerely

Tanya Peterson

I wish you and your family a safe and a festive season
