Hi James,

The documents are just a few, as we have a very large amount of historic files that will help you with our claim. Can I trust you that the documents that I'm about to send, are only for the registrar who makes the decision, and not to be past around. We have documents that at that time Government members conspired to overthrow King George The 5th for their own financial gain, against his Soldiers. These are Acts of High Treason. Look forward to your response.

Yours sincerely

Tanya Peterson

Hello James,

I have just finished speaking with Andrew Francis. He has suggested that I contact you.

We would like to lodge a new claim into the wai 2500 for what took place between Government and my grandfather from 1915- 1933.

We have all documentation required for a successful claim.

If you require further documents for your claims, please don't hesitate to contact us.

In order to submit our claim, please inform us as to which documentation you would require.

Yours sincerely

Tanya Peterson
